One Year Bachelor Degree Conversion Program

Fundamentals of Nursing Assignment. Class: Nursing 500

In about Nine (09) months, you should have completed your bachelor degree program in nursing. Answer the following questions:

1) a. What motivated you to join the nursing profession?

I chose the profession because I love to take care of people especially sick and those with impairment be it physical or mental.

b. If you were to start all over today, will you still choose nursing? Yes

2) What are your values and philosophy as a person? Love, care and respect

3) a. Career wise, where do you expect to see yourself in the next 5 years? An exponential growth career wise and specialization in nursing

b. How will you get to 3(a) above? Through a goal setting and working towards achievement of the goal

NB: Answers should not be more than a page of full scape paper.

Assignment should be uploaded in PDF format
